

Forever Yours

Tribute to Patsy Cline featuring Casey and the Bobcats

A very special concert event comes to _____ on _____ at _____, when the award-winning Casey Makela, and the Bobcats, present a tribute to the legacy and music of the legendary Patsy Cline.

Hailed as the nation's most exciting, and authentic sounding Patsy Cline tribute band, this show receives the highest acclaim from audiences everywhere. Casey Makela and the Bobcats perform your favorite Patsy Cline songs including, *I Fall to Pieces, Walkin' After Midnight, Crazy, So Wrong, You Belong to Me, Strange, Lovesick Blues, Always, Closer Walk with Thee, Stupid Cupid*, and many more - over 25 of Patsy's favorites in all!

Patsy Cline's tragic death deprived the nation of one its most beloved country music talents. But, Patsy's popularity continues to rise, and people of every age group love her timeless renditions of country music favorites now, more than ever. As public demand for the nostalgia of the 1950's and early 1960's continues to grow, *Forever Yours tribute to Patsy Cline featuring Casey and the Bobcats* musically escorts audiences back to that time and takes them on a memorable sentimental journey that deeply touches hearts and leaves people breathless.

Although the show is not an impersonation act, the similarities between Patsy's and Casey's voices are unmistakable and riveting. As one reviewer wrote, "*Casey Makela channels Patsy Cline so flawlessly; you simple have to be there to experience it!*" With Casey Makela, the Bobcats consist of the collaborative work of musicians Don Jack on drums, Eric Dunckel on the upright bass, Nate Myers on acoustic guitar, Amy Merrick on piano, and Dan Ager on electric guitar. Together, they put on a show that is distinguished for its high standard of musical precision. As another reviewer stated, "*The band is so great, they sound like they are straight out of Nashville!*"

Asked what the attraction is in doing a Patsy Cline tribute show, Makela answered, "Patsy Cline is one of the most inspiring vocalists I have ever heard. As an artist, I work hard to channel her talent accurately and respectfully in order to honor her and keep her memory alive."
